From the Qur'an:

1- "And [indeed] they had planned their plan, but with Allah is [recorded] their plan, even if their plan had been (sufficient) to do away with the mountains."

(*Surah Ibrahim: 46*)

2- "Corruption has appeared in both land and sea because of what people's own hands have brought about so that they may taste something of what they have done so that hopefully they will turn back."

(*Surah ar-Rum: 41*)

Selected Ahadith:

1- "Near the establishment of the Hour there will be days during which (righteous) knowledge will be taken away (vanish) and general ignorance (due to deception) will spread..."

(*Sahih Bukhari*)

2- Part of a hadith narrated by Hudhaifah Bin al Yamaan (RA).

The Messenger of Allah (SAAW) is reported to have said:

"...(A time will come) when there will be people standing and inviting at the gates of Hell. Whosoever responds to their call they will throw them into the (Hell) fire..."

(*Sahih Muslim*)

All praise is due to Allah (SWT), and peace & blessing on his noble Messengers (AS), in particular, on the last of them all the blessed Prophet Muhammad (SAAW).

As another "anniversary" of the false-flag attack carried out by the Zionists on 9/11, followed by the illegitimate military assault on Afghanistan approaches, we would like to refresh the mind of our readers about the philosophy behind the wars waged by the US during the last 100 years or so.

Lessons, legacies and ramifications that U.S. led wars have dispensed during the last century continue to haunt the sane of the world at large, while the U.S. remains fixated on an ostensible and self-purported global war on terror in the Middle East, South Asia and North Africa.

With evidences from history and kudos to leaked cables, one can find no alternative explanation of the First World War than a prelude to preparing the ground and subsequently augmenting histrionic melodrama of the 20th century to follow, which first led to diaphaneity and evanescence of the great Ottoman empire of Turkey and the Orthodox Christian Russia.

The recession of the late 1920's and the great depression of the early 1930's turned ordinarily sane statesmen rabid and this, potentially, led to desperation in Nazi Germany, which under the racist and supremacist rule of Adolf Hitler, went on a witch-hunt to dominate the world.

That set the stage for another monstrous World War to be fought merely a decade later and Prussia (The Austria-Hungary Empire) was simply wiped off the map of the world.

The period after that saw the use of the most baneful armament ever trumped-up, as President Roosevelt brushed aside, with utter disdain, the petition made to him by 147 top U.S. scientists begging him not to use 'The Bomb' and consequently Japan had to pay the price.

The cold-war followed for decades, but there always remained one constant in the battlefield, hot or cold – A persistent evolution of the war machine in the dimension least expected. It butchered economies, cultures, value-sets, morality and more, as the 'generations' of warfare 'progressed'. Even cyber-space is no longer 'safe' or 'secure' from yet another generation of warfare, i.e., Cyber warfare.

That said, we Muslims have been told repeatedly in the Holy Book as well as in the sayings of the Prophet (SAAW) that the only deterrent in real terms for us resides in clinging to the fundamental principles of Islam – like a leech, if you will – both at the individual as well as the collective level. Make no mistake that showing fortitude in an apparently 'hopeless' situation has never been a stroll in the park. History testifies that the process is strenuous, requires a remarkable degree of patience with faith and demands enormous sacrifice. The outcome, however, has been made abundantly clear by the Lord of the Worlds (SWT) that inevitably, the Truth is bound to be triumphant over all rivals. *InshaAllah!*

Signing off...

Dr. Absar Ahmad (Chief Editor)

**Press Release issued by Tanzeem e Islami****Date: August 17, 2018****Lahore (PR): “Turkey’s courage to stand tall in an unyielding way against America’s “trade terrorism” is greatly admirable.”**

This was said by the Ameer of Tanzeem e Islami, **Hafiz Aakif Saeed**, in a statement. The Ameer noted that the U.S. was responsible for waging a trade war around the globe and had resorted to using filthy and despicable tactics in order to win it. He added that after China, the U.S. had now imposed tariffs on certain imports from Turkey – an Islamic country – that had resulted in a catastrophic effect on the value of the Turkish currency, Lira, but Turkey had refused to be bogged down and had reciprocated by imposing tariffs on certain electronics imported from USA. The Ameer remarked that Turkey may have to suffer future economic challenges in the short-term because its economy is not as powerful as the U.S., but if Turkey persisted with its policy of defiance against American trade and economic bullying, it would eventually come out victorious and successful. *InshaAllah!* The Ameer said that Pakistan ought to provide complete moral support to our brotherly Islamic country and learn the lesson that the enemy powers of Islam could never be considered as the benefactors of any Muslim country. All the “sermons” and “hymns” of friendship and alliance delivered by the likes of USA are totally fake and based on deceit.

While commenting on the recent offensive of the Afghan Taliban in the province of *Ghazni* in Afghanistan, the Ameer supplicated that may Allah (SWT) bestow the Afghan Taliban with a crushing victory and success against the occupation forces of USA that are backed by the Zionist Jews. *Aameen!*

The Ameer condemned the attack of *Daesh* terrorists on the students of a university in Kabul that resulted in the martyrdom of many. He commented that it was no secret now regarding the patrons and supporters of the terrorist organization named *Daesh*. The Ameer concluded by stating that the attack perpetrated by this brutal and cruel terrorist organization against civilians – particularly students – was an utterly abhorrent act.

**Date: August 24, 2018****Lahore (PR): “A resolution vehemently condemning the competition of blasphemous caricatures of the Holy Prophet (SAAW) in Holland was passed during the Eid-al-Adha prayer congregation held at Masjid Dar-al-Islam, Bagh-e-Jinnah Lahore. The resolution was tabled by the Ameer of Tanzeem e Islami, Hafiz Aakif Saeed.”****Points ratified in the Resolution:**

- 1- The blasphemy of any Prophet (AS) is strongly condemnable and the competition of blasphemous caricatures of the Imam of all Prophets (SAAW) and the Seal of all Messengers (SAAW) is nothing less than religious terrorism.
- 2- The act is a manifest violation of the charter of the United Nations. The UNO must take action against the holding of such a competition immediately.
- 3- Pakistan ought to immediately expel the Ambassador of Holland from the country as a “persona non grata”.
- 4- Pakistan must demand of all Muslim countries to sever all diplomatic and trade ties with Holland.
- 5- An emergency session of the Organization of Islamic Countries (OIC) be summoned and the OIC declare once for all the modus operandi of dealing with blasphemy of the Holy Qur’an and any revered Muslim personality, especially the Holy Prophet (SAAW), at the collective level of Muslim countries. The OIC must also make it clear, in this regard, to the entire world that such actions are totally intolerable and unacceptable for the entire Muslim Ummah.
